Dear Alex

Jamie and I wish to express our thanks and delight at the beautiful en suite that you provided us with. You came out and spent time listening to what we wanted and came up with the solutions to provide us with our ideal bathroom.

Your attention to detail is second to none and your workmanship is professional in the extreme.

We would have no reservations in recommending you to anybody who wants a bathroom and requires their ideas to be turned into reality through your vision.

Kindest regards,
